Pillow Menu

To further ensure that you have a good night's sleep, we are happy to provide a selection of pillows for your comfort.*

Non-Allergenic Pillow

Provide excellent support. Odourless.

Ilk-Cotton (Kapok) Pillow

Soft, natural fibres, thermal insulation and moisture regulation. Adapts itself to the form of your head and offers pure, natural support.

Natural Rubber Pillow

Help keep your neck in the correct position when you lie on your back and keep your spine straight when you lie on your side.

Healthy Contour Pillow

Provide proper head and neck support for long, deep and pain-free sleep.

Foam Pillow

Provides medium head and neck support for deep, pain-free sleep.

Igusa Pillow

Small holes inside the mat can absorb humidity and heat. Tatami fiber can stimulate blood circulation.

Body Pillow

Use this pillow between your knees to support your hips properly, or use it as a shoulder pillow to relieve the pressure from side sleeping.

Bolster Pillow

Helps the body to relax; allows comfortable rest after injuries; prevents posture injury or pain during sleep.
